

M.X. Data Group Recipient of Retail Pro's "Global Top Sales" and "Top Seller - Software Assurance Sales" Awards

The M.X. Data Group is awarded Retail Pro's Top Reseller at the annual Retail Pro Partner / User Conference in San Diego, CA.

New York City, NY ([PRWeb](#)) October 16, 2008 -- Retail Pro, Inc. has recognized M.X. Data's industry leadership and commitment to excellence by awarding the company the "Global Top Sales" and "Top Seller - Software Assurance Sales" Awards. The awards were presented to M.X. Data during Retail Pro's annual Business Partners Conference, held in San Diego, California.

"This year, the conference was held at the Hard Rock Hotel in San Diego. The presentations were very informative with, in particular, a great user panel. Our team left the conference with the comforting feeling that Retail Pro is still deemed to have a great future and we are all excited to be part of and contribute to that successful future." said Xavier Degryse, President of M.X. Data, Inc.

M.X. Data specializes in providing luxury retailers and high-end fashion companies with a full range of consulting solutions and Point of Sale (POS) applications tailored to its clients's specific needs. The Company was founded in 1988 by Xavier Degryse. The Paris office opened in 1992 and caters to clients based in Europe and Asia.

With a team of experienced retail experts with strong backgrounds in consulting, technology, business, finance and luxury retail, the M.X. Data Group has assisted luxury companies with their retail needs since 1988. The M.X. Data Group provides dedicated and comprehensive retail services and solutions.

These services range from retail needs assessment, round-the-clock worldwide technical support to large-scale retail store implementation of point of sale (POS) solutions and E-Commerce applications.

M.X. Data is a privately held company based in New York City and Paris.

About Retail Pro
